

OUR MISSION

Build stronger support for single parents involving their youth growth and development. By working with a top-down system ensuring that the single parent connect with the youth intervention, mediation and coping methods, bridging the gaps between the two (parent and child); providing new ideas showing different environment through site seeing current reports in correspondence to both the parent and the youth.

ACHIEVEMENT

Creating workshops that better aid both the parent and youth's daily affairs; gathering new knowledge for a brighter life; joining the families in local and other region to fun and exciting field trips to broaden new vision and horizon visually.
